SUMMARY

Analytical and detail-oriented Data Analyst with 7+ years of experience in transforming raw data into meaningful insights. Skilled in Power BI, SQL, Excel, Python, and DAX, with a track record of building interactive dashboards, automating reports, and supporting decision-making processes. Experienced across corporate, financial, and campaign domains.

WORK EXPERIENCE

Data Analyst

Jul 2025 – Nov 2025

Samvidhan Leadership Program, Patna

- Work with data to support planning and execution of state-level campaign strategies.
- Collect, organize, and manage large datasets from field teams and campaign activities.
- Use Excel to maintain records and track progress across regions.
- Build automated reports and dashboards in Power BI to share daily updates and insights.
- Use Python for web scraping and analysis of election and government datasets.
- Analyze historical election data to identify trends and patterns that inform campaign strategy.

Data Analyst

Aug 2024 – Jun 2025

Shivaji Infotech, Ahmedabad

- Functioned as the sole Data Analyst supporting a U.S.-based pharmacy chain.
- Designed, developed, and maintained advanced Power BI dashboards visualizing KPIs.
- Used SQL to extract, clean, and transform data from remote databases for business insights.
- Performed end-to-end data validation, cleaning, and integration to ensure data accuracy.
- Collaborated with U.S. teams to build tailored reports that enhanced decision-making efficiency.

MIS Executive cum Data Analyst

Dec 2018 – Jan 2024

Choudhary Shah & Company, New Delhi

- Managed MIS operations using advanced Excel and transitioned to Power BI reporting.
- Created dashboards visualizing client financials, tax liabilities, and profit/loss trends.
- Automated financial reporting processes, improving audit preparation and consultation efficiency.

MIS Executive

Aug 2016 – May 2018

Vijayan's Fair & Exhibition Pvt. Ltd., Patna

- Maintained Excel trackers for event budgets, vendor payments, and ROI analysis.
- Produced MIS reports summarizing event performance and cost optimization opportunities.
